

## oaSES to Attend FL SES Leadership Summit

Last Updated Wednesday, 14 May 2008

A team from oaSES will be attending the 2008 Florida NCLB School Choice Leadership Summit in Orlando on June 23rd-25th. We will be discussing the new oaSES-08 system with our current clients and demonstrating it's features and capabilities to any other interested providers.

If you would like to book a demonstration then you can reserve a time by calling us on 866-327-0035 or clicking here to send us an email message.

Click here or the "Read More" link to read an excerpt from the event invitation from Dr. Frances Haithcock, Chancellor of Public Schools, Florida.

"This Summit provides a statewide forum for promoting successful and effective implementation of NCLB public school options, including Supplemental Educational Services (SES). Participants will have an opportunity to discuss state and federal information updates and technical assistance related to such topics as contract management; development, implementation, and evaluation of Student Learning Plans; monitoring and evaluation; and parent outreach efforts.

We encourage state-approved SES providers and school districts to send a team of individuals that may include tutors, program administration, office managers, district Title I coordinators, district SES administrators, school administrators, and school site facilitators.

Monday, June 23, 2008 is mandatory for all newly approved SES providers. Tuesday, June 24 and Wednesday, June 25, 2008 are mandatory for all state-approved SES providers."

Dr. Frances Haithcock, Chancellor of Public Schools - May 12th 2008

We are looking forward to the summit and hope to meet up with many current and future clients.
