

oaSES to Attend 2010 FL Tech Assistance Meeting

Last Updated Wednesday, 16 December 2009

oaSES will be attending the the "Request for Applications (RFA) Technical Assistance Meeting to become a Supplemental Educational Services (SES) provider for the 2010-2011 school year" to be held in Orlando on 11th January 2010.

A team from oaSES will be in attendance on Monday 11th for the RFA Meeting. We will be focusing on identifying the new requirements communicated by the FL DOE for the upcoming academic year, so we can ensure that future oaSES updates address those points. We are also looking forward to introducing ourselves to existing and prospective SES providers to get their feedback relating to how we can better develop the oaSES system to address their needs.

The team (Nigel Musgrove, Eileen Black and Joe Miller) will available at the meeting hotel (The Peabody) from 6pm on Sunday evening through to the end of the day on Monday. We would be happy to demonstrate the oaSES system and talk about it's benefits for your operation.
